Dear Tournament Volunteer:

It is with great pleasure that we invite you to join our team as a Samsung World Championship volunteer. This year's event is scheduled for October 1-5 on the beautiful Ocean Course at Half Moon Bay Golf Links in Half Moon Bay, California. With your support, we hope to continue our success here in our inaugural year on the spectacular California coast. As a volunteer, you will be a part of the excitement as we host the world's top-20 female golfers including our defending champion Lorena Ochoa, winner's of the four 2008 LPGA majors - Kraft Nabisco Championship, McDonald's LPGA Championship, U.S. Women's Open, Ricoh Women's British Open and the leading money winners of the current year.

We need your help as a volunteer and we encourage you to invite your family, friends and co-workers to join you. Enclosed is a Volunteer Application to provide us with information regarding your committee preference and availability. The tournament office will do its best to accommodate all assignment requests. However, several committees have limited space and fill early. In order to ensure the best possible chance at receiving your desired assignment, please send in your application as soon as possible. The Championship asks for each committee member to volunteer a minimum of three days during the event. Please note that Marshals are asked to volunteer all five days, Wednesday through Sunday.

Once the tournament staff has processed your registration form, you will receive a letter confirming your committee. Prior to the tournament, you will need to attend a training session and pick-up your volunteer uniform. Specific dates and locations will follow at a later time.
